

Welcome to Maria Bonita Gourmet Mexican, a family-operated restaurant since 1996. We take great pride in serving only the freshest seafood and meats. The menu emphasizes (non-traditional) Gourmet Mexican which may not be familiar to you, so please ask questions. We can customize most items for vegetarians. We want to do whatever we can to make your dining experience enjoyable.

Thank you for coming to Maria Bonita, and please recommend us to all your family and friends. We hope to see you again soon. —Francisco, Jose, and Alexa
